

A woman with long brown hair, wearing a green sequined, long-sleeved, high-cut dress and black high-heeled sandals, is posing on a stage. She is leaning against a large, glowing pink circular graphic that contains the name 'Rosemary' in white cursive. The background is dark with vertical light streaks and a faint image of a microphone.

Rosemary

"She Came, She Sang, She Conquered." - *Times Of India*

"A Star is Born. When she takes the stage Magic happens " - *Fortune India*

"A Fantastic performer who gets any crowd dancing to her tunes." - *Goa Times*

Rosemary

The Power House of Talent Taking the Stage by Storm. In the realm of music, there are performers, and then there is Rosemary Fernandes, From the moment Rosemary steps onto the stage, her energy is palpable, her presence magnetic.

With a voice that effortlessly traverses genres and decades, she transports her audience on a sonic journey through time and emotion.

Rosemary has evolved into a captivating force in the world of pop, retro, and classic rock. But it's not just her vocal prowess that sets Rosemary apart—it's her innate ability to command a crowd, to turn a performance into an experience and leave the audience chanting her name in chorus.

This Supremely Talented vocalist is the front woman of the electrifying band "Rosemary & The Herbs," who leave audiences mesmerised and in awe.
